Employment application

Bonjour!

Thank you for submitting this application to work at the French Twist Café. The opening of this French Coffee shop was the result of two and a half years of research and development. This was a dream come true for me so my managers and I will choose our employees very carefully as they are the face of the business. We have high standards for ourselves and we expect the same from everyone who works in this coffee shop.

The mission of The French Twist is to introduce its customers to specialty coffee and authentic French cuisine in a unique and comfortable environment.

It is not necessary to have any experience as a barista or in the food industry to apply for a job here but all of our employees are expected to be **social, energetic, enthusiastic, intelligent, punctual, dependable, flexible** and **service oriented**. Immaculate appearance is a must! They should have a **positive attitude, be hard working**, and always come to work with smiles on their faces. You will be trained to do every job needed to run the business including making crêpes and coffee, taking customers 'orders, preparing food, cleaning and doing dishes. You will also be required to work a couple of weekends per month.

We hope you can join our team and be part of our "family" here at the French Twist where customers meet for Coffee, Crêpes and Conversation... We are looking forward to meeting you in person during your interview. We will contact you upon receiving your application.

Hélène Taylor
and her management team.
